I will miss the answers he gave, he helped me to be able to understand a lot of things!

We are very sorry that such sad events as the death of dear brothers are now taking place. We have served for a short time in the same congregation, but we are encouraged by the faithful example of Brother and Sister Hutton. We hope to see you again in paradise and continue to serve Jehovah together

Frances so very so for your families loss.

- Christine Tyler

Dear Frances and family, we look forward to a grand resurrection party in paradise. The joys then will more than make up for our heartaches now. May Jehovah continue to comfort and help you to adjust in the days to come. Please read, WT, 12-15-13, p 27, Facing the loss of your mate. We send our warm love and hugs to all, S&S.
