

Steven Christopher Johnson

July 25, 1976 ~ August 25, 2021

Growing up with the Johnson family we shared many wonderful times together. I will remember Steven especially when I was his Cub Scout Leader. We met at my house. He was always so happy and excited for everything we were doing. My love to the family. May God bless and keep you!

I am very sadden at this time after hearing about the loss of my nephew Steven. My prayers and thoughts go out to his wife, Virginia, his children, his grandmother Marilyn, and the rest of his extended family.

Steven was one of my oldest friends. He and his brothers were my next-door neighbors when my family moved across town. He was always the strongest, bravest and most positive of our group. Being with Steven as a kid was like having Superman for a friend. I am so sad to see him go.

- Robert Miles

Our family is heartbroken to hear that Steven has passed. I loved being his Primary teacher and watching him grow. What a beautiful light in the Johnson family! May the Savior comfort all of you. We add our prayers and love.

- Becky Ellefsen

We are saddened to hear of Steven's passing. We remember his gentleness, much like his father. We love the Johnson family and their wonderful friendship and all they added to our community. May you each find peace through the grief. All our love.

We are so sorry for your loss. I wish I would have got to know Steven more but just the little time I did I knew Steven was a great person and spiritual being. Please let us know if we can help in anyway. Your family is in our prayers.

I worked with Steven at Xactware and he was such a nice person. I loved how he always sounded so happy and friendly when he answered phone calls. He is definitely missed by us!

My sons and I were his home teachers until his family moved South for his new job, and we lost contact. I was just thinking of him a few days ago and wondered how his family was doing. This was not the way I wanted to find out. I am shocked and heartbroken for the family. I watched his family grow up in our Ward, so I know how much his family meant to him. I am grateful that his family welcomed me into their home very month. I am sure that he is watching over you still. God bless!
