So Sorry for your loss. Steve was a great mentor to me. I wouldn't be where I am at today without his guidance & advice. He is truly one of the best people I've ever known. He will be missed. Rest in Peace.

I am very sorry to hear abut Steven's Death. I was one of his baptisms in Toronto at the age of 10, Myself, My sister Jennifer and my mother Shirley joined the church. Our lives have been richly blessed because of that day. We have been very active and have enjoyed the blessing from the decision. I was only 10 so my memory is fading but I do remember how great it was to have Elder Pulsipher and Elder Holloman visit us and teach us. I am sad that we never connected after that. I did try but was not successful at finding Steven. I am saddened at your loss and my loss for not being able to say Thanks and to tell him how grateful I was for his missionary service. The Spirit was so

strong in our meetings none of us could deny it, to this day I have it as a building block of my testimony. .....Till we meet again Steve Rob Cole
