So sorry to hear this news. Steve was the best of friends. In high school he was a leader in every sport and environment he was in. He was a member of The Beyer Five that brought levity and spirit to the basketball games and school events. Love him and know he will continue to be active in each of your lives. He's just built that way!!!

Steve, It was the fastest 4 years of my life to date, but I remember exactly when we became friends. Summer of 2020 I was wearing my Dodgers jersey and you being a Giants fan just couldn't resist. We sparked up conversation and instantly we were pals. Fast forward to the summer of 23 and you and I would sit and talk, laugh and sometimes even cry together. The unexpected twists and turns life takes makes it worth the ride and what an awesome ride its been. We love you Steve! As Eva would say "After a while Alligator" Raider Nation will miss you on Christmas day but I will miss you so much more. "Love you Buddy" Cory Griffin

Steve was always good to me. I enjoyed swimming for Steve. He was a great coach and mentor as I began my coaching career. I am sorry for your loss.

To the Doman family: I am so sorry to hear of Steve's passing! I want you to know what I remember of Steve. Although Steve was one of the most well-known "popular" kids in our class at Beyer high school, he was always kind and friendly to everyone. He was never arrogant or "too good" for anyone. I never heard Steve say a negative word about friends, family, teachers. He smiled and had a sparkle in his eyes for everyone. Steve was thoughtful and nurturing and protective of the ones he loved. I cherish my memories with him, and I am so very grateful that we had those times together . I know his legacy will live on. He has obviously inspired, encouraged, and motivated, countless swimmers, friends, and family members. I count myself blessed to have been counted among them. Steve, you were one of a kind. I hope you are basking in the sunlight and the water of your heaven eternally!

To the Doman Family-my memories of Steve brings a smile. I've enjoyed through the years to reminisce how the Openshaws and Domans families were friends. I remember spending so much time at your house in Sherwood Forest and swimming in your pool (of course!) Steve was always so kind and was respected amongst his peers. My condolences to your family. Much love and hugs. May God Be with You til We Meet Again.

- Jody Openshaw (Schmitz)

Steve- you were one hell of coach and a good man. Our time was short but very memorable. You touched a lot of lives in a very positive way and I will always remember you. Love and light to all that loved and cared for you, rest easy. CY

My condolences to the Doman family. I had the pleasure of knowing Steve for many years. He was an elite athlete who was a great guy. Personally, I never heard anybody say a negative thing about him. He always had a smile and a warm welcome. Gone way to soon!!! R.I.P. Steve.

I had the pleasure of competing with and against Steve in the 70's in Canadian Swimming on the National level. Steve was rough and tough easy to like and fun. I stayed with Steve and his family for a week ,even went to school with Steve in Red Deer, we went our separate ways. I recently tried looking Steve up and saw this Devastating sad

news. Love and kind memories to Steve Doman and Family..God Bless

Steve was my BYU freshman dorm next door neighbor. He was super funny and great to hangout with even if really tired from swimming morning and night. Lots of great memories with him at John Hall 1982. Gone way too soon. RIP brother Steve!
