

Steven Ralph Kimball

March 3, 1947 ~ November 12, 2022

Uncle Steve was one of my heroes. He was always kind to me and my family. He was a great brother to my mother and his love for her was evident to the end of her life. I will miss him, but I know that we will all meet again and share the many memories of this earth life. My the love of our Savior Jesus Christ sustain you through these difficult days.

We are so saddened to hear of Steven's passing. He was a wonderful stake president and a genuinely Christ like man. Surely the Savior has received him with open arms and a warm hug. 'Well done, thou good and faithful servant' Love and prayers to your dear family.

To all the Kimball families. I am so so sorry and deeply moved for your loss. I loved and respected Steven a lot. You have chosen a picture that speaks Steven through and through, the happiness and smile that speaks volumes. When we come to family gathering with Lisa and Ben there will definitely be a void that will be felt by all. Fortunately his memory in all of us will fill that void. ♥■ All my love and condolences to each and every one of your families starting with Margot. ■

My mind and heart are filled with so many dear and cherished memories of Steve from the time I was a child, and he was dating my sister Margot. He has been just like my brother for over 50 years now, and still vividly remember when him and my sister were married in 1969. My heart, prayers, and condolences go out to the Kimball family at this time especially to his wife and companion Margot. Steve always had a smile for everyone, and I don't recall him ever getting cross. No matter what he always had a kind, friendly, and cheerful demeanor. He was one of the most happy and helpful people that I have ever had the pleasure and privilege to have known. I truly consider all of the many times that we spent together heaven sent. I know at the end of mortality is the most difficult chapter especially for those left behind, but I am sure he is relieved to be beyond the suffering he endured valiantly in the last part of his life. As we mourn here in this world, there is a happy celebration beyond the Veil with those that have gone before us. Saying goodbye for now is the most difficult part for all of us, and Godspeed until we meet again.

I remember when Steve Campbell was our state president and I remember him as a person also. It was a great man. He will be making heaven a little nicer. Condolences to his family and his friends.

We are saddened to hear of Steve's passing and grieve with you. Steve was a great blessing to our family as a young Bishop and as a good friend for many years. Some of my fondest memories of him involve 40th Ward roadshows. He is such a kind and talented man who will be missed by all. Our thoughts and prayers are with you. Much love from Don and Leslie Peterson and family.

Margot, Claudia and I attended Steve's service today. Weren't able to get in the viewing to say hello and offer our condolences. The service today was very uplifting! You should be very proud of your family. You were great also. Tough to speak at a family service but you held up admirably. Steve I know was pleased, also. Steve and I had some good times working together. We worked well as a team and I very much enjoyed our association. Steve had a great sense of humor too and we laughed together more than we were serious, I think. Sorry we didn't get a chance to visit but pass along our admiration to your family. God bless you and your family! Ric and Claudia Hammond

I borrowed a trailer from Steve as we were moving out of our sandy neighborhood after 27 years. As we stood in the driveway a flood of memories rushed through my mind thinking of all the young men outings we had shared and the incredible lessons learned from Steve as our Bishop and Stake president. I told him that I felt he was the King Benjamin of my family. He had taught us to love and serve one another in such a caring fashion. My life was so much better because of Him. I will be forever grateful for Steve and the fact that he served me and my family and that we were friends. He was my ideal and must confess that I tried to be like him. How wonderful to have a someone like Steve to look up to. An amazing leader and example to all. I love you my dear friend
