In my heart you remain… in my thoughts you live on… until we make memories again… Love you, Dad!

I struggle to find the words to adequately express my feelings. With Steve's passing, I want to express my heartfelt condolences to those whose lives he touched. May you find peace in this time of sorrow. I am grateful for the connection I shared with Steve and there is so much I will miss about him. Good night Steve. Until we meet again.

I’m so sorry to hear about Steve’s passing. We grew up together in Lake Ridge just three houses apart. He taught me a lot about playing baseball, and was always fun to be around and funny. He will be missed here but welcomed on the other side. May God bless you at this time and may His warm embrace comfort you and your family.

Uncle Steve RIP. You are a wonderful man you will truly be missed ❤■. You and Ellen are some of the kindest people I have met in my life. I hope you are having a wonderful time in heaven with all your loved ones that have passed on. Give my grandma Tina a big hug for me!. You have served this life here on earth with honor. May peace be with you and your wonderful family at this time. Love your nephew. Breckon Hill
