I still remember today the day I bought some new shoes from Sue at Nordstrom. I was so happy and I felt so cool that my cousin helped me with such a good looking pair of shoes and an amazing discount. It was probably only 10%, but I felt special. My love to your family and may the Lord bless you dear Sue. What a sweet smiling cousin.

Dear Family, My sincere condolences ■ for the loss of your dear sweet Sue. ■ I loved ■ working with her at Equitable Life and Casualty Ins. Company. She was such a lovely lady and so caring and compassionate. She was also very comical ■ and made working with her lots of fun. She created a beautiful family. May the good Lord bring the family peace and comfort during this difficult time! Blessings! ■■■■

A fun little story is that, for years, I would take the kids' Christmas presents to her house to keep there until the "big morning." Sue and I would spend time wrapping them together while we talked and laughed (boy could she wrap a gift and make it look like beautiful!) How we all loved Sister Sue! (As my children affectionately called her.) I met Sue after my 12-year old son came home one day and told me how much he loved collecting fast offerings from "this lady" on his route. She'd always give the boys a fresh cookie when they rang her doorbell. This continued for decades as she brought countless plates of cookies to my children with each, almost weekly, drop-in visit to us. My 7 children always got loved up when she came through the door-the. They adored her! They all loved how wonderful she always smelled (Sue was a perfume connoisseur) and the fun earrings she'd wear. Sue was the most adorable, loving, loyal friend. I, my husband and our children all knew we were cherished by her. Sue was the one friend I called and asked to be with me when my husband passed away, which speaks for itself. I could go on

and on about this beautiful, dear friend. I will forever love my dear friend, Sister Sue.

I was so sad to hear about Sue. I pray Heavenly Father will be with you and comfort you at this difficult time. It brings me comfort knowing she's with her mom, dad, Bob, and with my dad, mom and Tana and our other aunts and uncles and cousins. But it's sooo hard for the loved ones left behind. I love remembering the times when we'd come to visit Uncle Don, Aunt Norma and my cousins, and when you'd visit us! I loved those times; and when all the Tueller families would get together. Such wonderful memories! I remember being in Sandy shopping one day and a car drove up by us and it was Sue with a big smile on her face! It was so good to see her and we got to visit for a bit. It comforts me to know I'll see her again one day. Thoughts and prayers to your family. Love you all
