Susan loved to hear me refer to her as "my opera buddy." We saw so many operas together in the past few years and she was always such a wonderful person with whom to enjoy every one of them. We were also bound together by our mutual love of the French language and culture. Merci, Susan, de tous les chers souvenirs. Je me souviendrai de toi à tout jamais.

Susan Larsen was a dear friend, As a private person, she did not share all her accomplishments in her life, but her refinement and noble character shone through all my interactions with her. I will dearly miss her, as will all who were fortunate to know her. At long last she will be reunited with Sherrill, her loving husband.

Susan was my dear friend for the past 45 years. I have wonderful memories of our attending Ballet West, the Messiah, and the symphony together. When I moved to Idaho we kept in touch and for the past several years there were weekly telephone calls. We often discussed the movies that we had watched for Susan had a vast knowledge of the best of foreign and American films. She also loved history and would regale me with historical facts! Susan was a special friend whom I greatly admired for her kindness, generosity, intellect, beauty and grace, I will sorely miss her. My heartfelt condolences to her dear family. Farewell, my friend!

Susan and I were neighbors. I live in the condo just south of Susan's. I used to take my dog Roxy to visit her and we'd talk about travels and memories and books and friends. We were also great friends because of our decade long lunch group. We'd go to Market Street in Cottonwood and even had a regular table! We'd laugh and talk politics and family. I've been sad that due to my parents hospitalizations I wasn't able to visit much lately. I miss Susan. She was amazing, kind, and really really brave in the last couple years.

Heavenly Father, We come to you in faith, asking for peace and comfort for Aunt Susan as she approaches the end of this life. Please grant her courage, calmness, strength and reassurance, knowing that your plan is perfect and through Jesus Christ, we can all be reunited with you. Bless Aunt Susan with your loving presence and the peace of the Holy Spirit. Help us all, her loved ones, to find peace, strength, and comfort in your release of her from this earthly life. Let us be comforted, having Aunt Susan feel our love and us feel her love, and trust in the eternal promises and your divine plan that she will be made whole soon and we will see her again in the resurrection. We pray this in the name of Jesus Christ, as we move in faith together to hold each other up and guide Aunt Susan through this sacred journey with grace. Amen
