Very sorry for the loss of Sue, and so unexpectedly! She was a beautiful soul and a great friend. May those whom she left behind find peace and comfort. God bless!

Sue had a talent of putting people at ease. She was as genuine as anyone that I have ever met. She had a quick witt, a beautiful smile and keen talent in sharing stories about life's up and downs. Her sense of humor softened the jolts that life sometimes inflicts on us. I can't believe that she is gone so soon. Sue will be missed and long remembered
