

Susan "Susie" Elizabeth Looser

September 21, 1954 ~ November 24, 2022

I’m so beyond sad to hear of Mrs. Susie’s passing. She was so sweet and good to me throughout my whole life. Having been able to meet her at such a young age she was always always in my heart. I am happy that we were able to spend several days together when she came to visit me in Idaho a few years ago. My heart is broken that she is gone and I am so sad to just be finding out about this now. She will remain in my heart and be missed forever.
