Susan was a true disciple of Christ. When she got baptized, she did everything to follow the Covenant Path, as President Nelson has said. She is deeply missed, I lived to see her love of painting grow—she was always really dedicated to whatever she decided to do. Her spirit was always string—no matter what challenges she faced. I love you, Sue! Sorry you had to get up early in the morning to make sure I made it to my early Religion class! How I ended up with a religion class at 7am—and no other classes until after noon—but I did!
