

Susan Fugal Butler

December 15, 1956 ~ January 9, 2026

Susie was such a beautiful soul inside and out. Always kind and fun and a pleasure to be around at choir.

She was an amazing aunt and such a great role model too! Sad she's gone but we know she lives and works hard on the other side. Sorry for your loss and ours.

My fondest memory of Susie was her love of singing. I remember when Ruth told me she was taking voice lessons. Her musical talent changed from then on. I loved to hear her sing in church. When she joined the Tabernacle Choir it was so fun to watch during conference to see a glimpse of Susie. When Kaitlyn and Spencer got married being together with the Fugal Family was wonderful. It was then I realized Susie had found the man of her dreams. Thanks to the entire Fugal family for the many memories of my childhood shared with you all. God bless you at this time of sorrow. Susie will be remembered and missed oh what a wonderful reunion she is having with her family on the other side of the veil. Kind regards at this time of Sorrow. Julie N Whiting

Susie was almost my twin. Both born in December 1956. Named Susan the same day. Probably baptized the same day. Our parents were best buddies, and we were friends. I loved singing, too. I was so excited when she got married. So sorry she graduated so early.

The world lost a noble and great person when Susie passed away. She was such a great friend and mentor to all. I loved being able to learn from her, discuss a litany of different subjects and feel blessed to have been her colleague

for 20 years. She was faithful, kind, uber-dependable and I'll miss our lunches and friendship. She is having a wonderful reunion with her mom and dad and so many family members and friends.

Susie was my 2nd alto Tabernacle choir section leader when I joined in 2001. She was so kind and soft spoken and carried out her responsibilities with great care. As she later served the choir in administrative roles I admired her work ethic and commitment. I consider her a good friend and wish her husband and family the Lord's loving comfort at this time.

Susie, without fail, treated me as a dear friend, even though I did little in her presence to deserve such. When we did "bump" into one another, she would visit with such joy that I would leave the moments knowing why it was so easy to love her.

Susie was a real jewel. She was in my young woman's as mia maid. From then on it was always a treat to visit with her.

- Catherine B. Spencer

Thank you Susie! You were always wonderful to work with; everyone loves you! Thanks for your kind help over the many years we were both there together. Hug, Marilyn

Susie was a fun-loving roommate. She was always kind and helpful. Susie took a lot of time and effort to make my wedding dress. So glad we were able to spend some time together in July in Pleasant Grove. Heartfelt condolences to Susie's husband and family.
