We never lose the people we love, even in passing. They continue to participate in every act, thought and decision we make. May her love leave an indelible imprint in your memory. My sincere condolences.

What a vibrant loving person my Aunt Susan was. I am fortunate to have many fond memories of our families camping together through my youth in the Uintas. Sue always made everyone feel at ease and happy. I will miss her radiant energy, her beautiful scruffy voice, and her sincere attitude. Love and hugs to you, uncle Craig, Jace, Tyler and your families.

Susan was a childhood friend. We was always together playing barbies sleeping over and many camping trips with her family. I fell so lucky to have had her as a best friend. Was shocked and saddened. My god bless her family and help them through this hard time. RIP my best friend. Kathy.
