Sending our love and heartfelt condolences to you during this difficult time. I fondly remember meeting your mother; every time I visited your home, I looked forward to our chats. Her infectious laughter brought so much joy and I enjoyed chatting with her every time I/we were there to visit. Please know that you and your family are in our thoughts and prayers. With sympathy, Larry & Suzanne Oliver

Love you second mom. You will forever be in my heart. You taught me so much and always made me feel so loved and welcomed. I'm forever grateful. I'll be there always for my chosen sister and best friend, your beautiful daughter. Forever. ■■ Love you Francine and family. My heart is with you.

I will never forget the generosity of Susan and GA, the "hotel Jarvis", for letting me stay with them when I first moved to Salt Lake City and was getting my bearings starting a new career out of college. I also highly appreciate Susan's freely given sewing expertise altering my wedding dress. I aspire to carry on that legacy of generosity. My thoughts and love go out to the Jarvis family.
