August 23, 1958 ~ April 19, 2026

I love you Susan, you were a dear friend to me at times I needed one the most. You listened to me and gave me excellent advice…. I also admired your quick wit and sense of humor and I cherished our regular lunch dates with Robyn. Your gospel insights and spiritual wisdom blessed my life. I'm so happy to call you friend…. Just wish I knew the last time I saw you would be the last time…. ■■ You'll live forever in my heart sweet friend.

I am so grateful to have had the opportunity to know and love Susan. She had such a genuine sweetness about her, I loved our visits. My condolences to all who know and love Susan, may peace fill your hearts. ♥■♥■

Our children love her as their primary teacher. She is gentle, caring, and forms a special connection with them especially with our youngest daughter. Every time I pick my daughter up from class, she is beaming with a smile. She even refers to her as "my first Primary teacher," even though she has had others before. Susan clearly made a lasting impression on her. My wife also had the opportunity to co-teach with her in Primary and often shared how much she enjoyed working alongside her. She spoke of her natural love for the children and the genuine joy she brings to serving them. She will be deeply missed.

Our family was greatly blessed by Susan in so many ways. We're grateful for all the treasured memories. She exemplified Christ like love and will be missed by all who had the privilege to know her. We wish your family peace and comfort in the knowledge that she will be working and waiting on the other side.

Dear Barbara, Jeff, Heidi, Tim and Dan, I want you to know how much I love Susan and all of you. Susan was one of the kindest sweetest souls that I have ever known. I know you will miss her greatly and I'm sending you my love prayers and blessings. I'm proud of how all of you have grown up and how you take care of your mom. I know the Lord will bless you and help you during this difficult and sweet time time. Love and Blessings, Brenda

Dear Bill, Mike, and Andrea, I'm certain you will receive many notes referring to Susan's love and kindness. I would also say sweetness. No wonder she enjoyed being with the Primary children - and they with her. It was a privilege to serve as her counselor when she was Relief Society President. I so often saw her reach out to help others (including myself), when she, herself, was struggling. A wonderful woman who will always be dear to my heart. Thank you for sharing her with us. You, too, are loved. May God bless and comfort you.

Sweet Susan was one of my first clients, she was always filled with joy and warmth to see me and the girls show up to her home for our service's. She would always come sit and chat with me about life and what was going on in the world at the time. She would always make me feel good about the work provided. She'd always compliment me on what I wore for the day or how my makeup was always filled with such kindness. She was silly and fun and genuinely always brought a smile to my face she will be so missed! ■

Oh dear Bill! It was very distressing to hear about Susan's departure from this part of her life! Yes! She's now with our Heavenly Father AND cared for by our Heavenly Father and you and her children and so many loved ones. I am so grateful for all this LOVE surrounding her. I can only imagine how you all handled the difficult struggle on this part of her journey. I am sending my love and prayers for each of you and am so grateful you were with her in this life. Blessing! Love! Family!
