We will miss this sweet lady! Grated for all she did for my kiddos some 30+ years ago! Zack was in her kindergarten class, and one day asked his dad if he could put some cologne on as he was getting ready for the day. We asked him what the special occasion was and he just said, I just want to smell nice for my teacher! Mrs. Homer was the recipient of those good smells! Too cute! She was so grateful and remembered that to this day 30 yrs ago! She will be so missed! Thanks for sharing her with our family! Shawn, Jeannette, Zack and Alicia Hewlett

I was truly blessed to have Mrs. Homer as my kindergarten teacher. I don't remember much from that age but I remember how amazing she was and her smile. I will forever remember her face. It absolutely breaks my heart to find out about her passing. So early too. I wish I could've seen her again as a young adult so she could see how far I've come. It all started with her. My condolences to her family and everyone whos lives she started off right.
