

Susan Renee Fox Everett

August 18, 1948 ~ April 28, 2022

So sadden by the passing of my cousin, Susan. On the trips that my family made from North Carolina to Utah when I was young, we stayed with her family. Fun nights in the camper in their back yard laughing and enjoying our walks to the Jolley Pharmacy to spend our coins. Susan was always happy when I was there. Our visits were way to short but the memories linger. I will remember her and the good times. Love you cousin!
