I am so sorry for your loss. I will always remember Susanne. She was a light at the library. She made our workspace feel like home. My walking buddy who made me laugh and always had time to listen. Safe travels Susanne. You will be missed by many.

I really enjoyed working with Susanne. Missed her since she retired. What a wonderful family. My heart and prayers are with you at your time of loss.

Susanne my BFF, as I listened and watched your services and the family talked about you, (however I didn't get to go to the gas station), they summed you up perfectly. I have been blessed to know and love you. Until we meet again. God speed my friend.
