Susie & I worked together at eBay over a decade ago. We kept in touch through social media. I am so heartbroken to hear of her passing. There are never enough words or even the right words to say. Sending love and comfort to her family. Her humor & big heart will be missed & kept fondly in my memory. I will continue to think of her anytime I listen to AFI.

We parted on not the best terms, but I loved Susie like a sister for 15 years and considered her one of my best friends during that time, we were there for each other through seriously good times and bad times. I am deeply saddened by her loss. My family has made an in lieu of donation in her name. Bright Blessings to her girlfriend, family and friends.

Such a beautiful young woman, I am so sorry to hear about Susie. I only talked to Suzie once, but felt like I knew her as I am a very close friend to her dad, Tom and know her sister Nicki and Sarah. My prayers are with Susie's family, partner Cayla, and all who loved her. God Bless, There are no words to express my sorrow for your loss.

I worked with Susie at Wells Fargo and she was always a sweet kind person. She would always keep in touch with me as my career led me away from Wells Fargo. Hearing of her passing hurts as I feel I would have like to see and

talk to her once more. I pray she finds peace and love.
