

Suzanne Andrus Jensen

July 26, 1947 ~ September 19, 2020

We are saddened by the passing of Susie. We met her many years ago when Dave and I worked together at Sintrex Geophysics. Susie was a joy to be around when camping or BBQs and other events.....God Bless Susie, Dave and their family.

We only knew Suzie a short time after moving into her neighborhood a couple years ago. However, her influence on our children will last a lifetime. She nurtured two of our children in the nursery over the past 2 years. The way she loved them brings tears to my eyes. We love you Suzanne and we are so grateful for you.

What a beautiful, gentle, kind soul. We will surely miss her beautiful face and the example she was to all of us. What a lucky family to have Suzanne as your mother. We are so saddened over her loss. Love always, Doug and Laurie Lesher

Sorry to hear about your wife passing. Tom Hardcastle told me. I didn't know her but if she was like you , I am sure she was a great person. My time with you at the cannery was great and I miss those Days. I am said to see them going to close it. All our love to you and your family
