What a beautiful lady she was. Sending you hugs and prayers. May she live in your heart forever. Regards to your family.

Heaven gained another beautiful, bright & shining light yesterday. Sue was exceptional - as a wife, a mother, a grandmother, a friend, an advocate, a teacher, a true Christian, as an example of what it means to be a wonderful human being. Her absence will be felt & she will be missed by many. Dr. Keye & family please know that you are in my thoughts & prayers. I hope that your memories of Sue will give you comfort, the knowledge that she was so loved & appreciated by so many will help in the tough times ahead & the belief that she is free of pain, confusion & suffering will bring you peace. Thank you, Sue, for being such an amazing, caring & supportive friend to my mom & me. I hope heaven is ready for the hijinks & fun that is sure to ensue when Jill & Sue are together once again. Rest in peace my friend, until we meet again. Sheri

My heart goes out to you Bud, & the entire family in the loss of your beloved Sue. Sue was an inspiration for me because she never lost her sense of humor, her spirit of endurance or her strong faith in spite of adversity in her later years. Her life was a gift to so many. As friends for over 60 years, my heartfelt prayers & gentle thoughts come to you, Fondly, Mary

I am so sorry to hear about Sue's passing. I have fond memories of her at the Park City Community Church. She was always such a kind hearted, warm, giving person. She touched many lives and this world is a better place because of her. Please know my thoughts are with all of you. With Sympathy
