I am so sorry to hear of your Mother’s passing. You have my deepest sympathy. I went to school with Suzanne and was one of our luncheon group that got together twice a year. Suzanne was the one that made all the arrangements for these. All of us will miss her. I am blessed to have shared a lifelong friendship with her. Memories are special and you will realize this more everyday as you recall special times. Best wishes to your families.

Sue was my neighbor for a few decades, always smiling, always beautiful, always a kind greeting and a witty comment. I‘ve been impressed by the way Sue and Dick compliment each other, tolerate each other, and unconditionally love each other. I’ll never forget her calling “Richie!!!” from down the street to come home for dinner every night. Now her hands don’t hurt and she can play that beautiful piano for her family. Godspeed Sue, we love you!
