

Sylvia Dee Baxter Pettit

July 15, 1940 ~ August 9, 2021

Our deepest condolences on your loss. Sylvia was a wonderful neighbor. I know after Stephen died she struggled with taking care of their house. Art was there to help her as much as he build. We always looked forward to seeing her at the store. Much love and hugs for all you. Denise Brems

My favorite memories of Aunt Sylvia are helping paint Christmas cookies (I love that skill and have used it over the years!), getting my first perm, eating mac and cheese in the kitchen, and her comforting me when I slept over and got homesick. I can picture her smile in my mind and I know she was so happy to see Uncle Steve. Love you all!

Dear Family, I loved playing with Sylvia in my childhood when I visited my Aunt Maida and Uncle Ira. We would be up at Rex and Lois's house almost every day. She always had a smile and her laugh I will never forget. I live in Cove, Oregon now, and Beth lives in La Grande. Just know that our hearts go out to you who will miss her so much. It brings a smile to even think about her. Love to all, Ruth Combs Edvalson

So sorry to hear this. She was a wonderful neighbor to my grandmother for quite a few years, and when I moved to the neighborhood, was so kind. I will always remember her wonderful laugh and being so happy all the time! She will be missed.
