

Sylvia Elizabeth Beck Mathis

November 18, 1944 ~ January 4, 2024

We grew up with Jim and Sylvia's family. It was true then and now that the women were really the backbone of our families.We appreciated that. He was a superb provider through all of their trials. What a superb combination. What a family!!! We can all hope to be like them.

Dear Jason, Tom and I are sad to learn about your mother's passing. It's so difficult to lose a parent. Your mom sounded amazing, and she had a remarkable career. You were lucky to have her in your life. Our condolences to you, Jeannie, Ian, and your extended family. We're thinking of you. Kind regards, Michele and Tom

Ms. Mathis was my teacher 20 years ago at Wasatch and remained an important mentor for my education career and my brother’s a few years later. As a teacher myself now, I find myself frequently thinking of her incredible ability to connect with each student she worked with and her unique and truly skillful way of pushing kids’ thinking. Though no one can ever live up to her bar as an educator, I hope it brings your family a small comfort and a smile to know that her practice now lives on in a kindergarten classroom in California and it’s an honor to have learned the craft from her. Sending love and immense gratitude, Chloe ❤■
