

Tamiko Kawaguchi Shimabukuro

So sorry to hear about your loss. I will never forget her sitting up in those softball stands with her very distinct horn (which she so kindly brought another for my mom LOL)! She will be missed dearly by everyone who's life she touched. Much love to her family.

I'll miss this dear lady. She had a great sense of humor and was always willing to help out. She was a good cook and introduced me to many foods I'd never had before. Her family were reflections of herself, good people who she was justly proud of. She brought joy to all of us. Sleep in peace sweet Tami.
