Patty, I am so very saddened for you, and for Marilyn and all the Swapp family. I have said many times that one of my biggest fears is to outlive my children. And 50 yrs old is way too young to leave this earth. You are all in my prayers.

I am deeply saddened by Teague's passing and can only imagine how those closest to him must feel. As a father myself, I imagine that losing a child must be one of the hardest things to endure on this earth. As son, I imagine losing your father before his time is beyond heartbreaking. As Teague's cousin I am mourning all our loss, the loss of such a wonderful person. To Teague's immediate family, I am so sorry for your loss. I was crushed when I heard the horrible news. To all that knew Teague, and knew him well, I regret that I didn't get to know him better and I lament the fact that I will never get that chance. May all who loved him find peace in due time. You all have my most heartfelt wishes.

I had the pleasure of working with Teague at CR England and Freightliner. He was awesome to work with both times and always had the answer when I talked to him. He will be missed, sending prayers to his family. He will be greatly missed, the world lost a good honest man.
