

Teri Wells

April 2, 1951 ~ April 14, 2023

So sorry to hear of her passing. She was a wonderful person. So glad I am related to her. She will be missed.

- Karen Shepard Mortensen

I grew up with Sister Wells as my primary president. I will always remember her for her gentle and loving spirit. When I was younger I was afraid of her for her strict adherence to rules. Haha But, we sure were a rowdy group of primary children. She knew our Savior and shared her love and understanding of Him and His gospel to me and the children, youth, and adults in our Hmong Ward in Sacramento. Even after I married and moved away from Sacramento, she took her time to make baby blankets and sent them to me for my children. Unfortunately she was not able to finish the last one, but I am sure she had been working on it. Thank you for your service, Sister Wells. Thank you for loving us. We love you and are grateful you are free from physical sufferings and will continue your service on the spirit world.

I have fond memories of the summers we played together, (Lenore, Robert, Teri, and Alene), in Salt Lake, exploring the neighborhoods, seeing the city lights and running through the downtown alleys in the car with your Dad. I'm sure Teri will be missed. Losing a sister is very hard. Our thoughts and love are with you and your family today.

Thank you for serving our family Ward, being part of our lives, and part of each our families through the years. Sister Teri Wells, you will forever be part of our hearts and memories. Your love and passion for the gospel has taught us to grow in so many ways and have taught each of us and our children the importance of our cultural that language makes no difference through Christ, he sees us all as his children as you continue to serve with us in our Ward. Thank you for your talent, gifts, and memories. We will forever be grateful for you. We will miss you dearly, until we meet again someday. Much love~
