Terry Michael Shuman

September 22, 1943 ~ June 18, 2021

Like you said your dad has to be happy with his Joanie by his side. It’s not easy to say good by but Heavenly Farther has a plan. May you feel his love and comfort and know that there are many who care. Love you guys ■ Tara

Terry and Joan played a big part in our lives, and the lives of our children. We love them dearly and will miss them terribly. Many hugs to the Shuman family.
