

Terry Oliver Wayman

June 27, 1955 ~ April 16, 2024

I love Terry! He is a charismatic lovable man! I have had the pleasure of working with him on many projects. Terry has always been welcoming and friendly to me. I am so sorry for your loss. It is very hard to watch someone so full of life deteriorate and pass. ■ For his sake, I am glad he is no longer in pain. God bless you all and help you through this new journey in your life ■

I had the pleasure to meet him at his house and have dinner. Clayne invited me over. It will always be a cherished memory. He is certainly missed by so many. He asked me if it was weird to him and if I would want to come back. I said all I saw was a lot of love in the house and I would love to come back. Now I wish I had gone back to visit. Keep those wonderful memories close, as I will.

Big hugs & prayers for all of his family. He was one of my fireside teachers back in 1975-1977. He was a great teacher even at that young age. ■

Terry will be one man that I will always remember. I've known him from 2001, been able to assist him with services to his fleet of trucks and helping his awesome family. Always came in with a smile and made everyone feel comfortable with his one liners. He would help a customer in financial concern and pay for a tire here and there. I implemented that in my years to help others. Such a hard worker and always showed love to his family. He taught and directed his family in the business to help them progress. I texted him the last year or so, and expressed my thankfulness for him and his example. He will be missed, but not forgotten. We were all blessed to know him. Chris

I really wanted to make the viewing but my Granddaughter's birthday has to take the priority. I think so highly of Terry and his hard working kids. You are all in my thoughts.

Terry had a big heart. Therefore I'm truly thankful for all that he has done for my family & friends. I've been blessed to know him & his family whom I call friends. He'll be missed. Thank you Terry for all your hide-a-hundreds! ■♥■
