Wendy, I know that you do not know us. We are the grandparents of Braxton Easterbrook, who was coached by Terry. We were so impressed with the caring manner that Your hubby coached the boys. We are sorry for your loss and keep you in our prayers.

I'm just heart broken for Wendy and the Taylor/Beal family. Terry always had a glimmer in his eyes that usually meant he was brewing something funny. His laughter was contagious and he had a heart of gold. He will be missed.

My grandson, Britton Jepsen, loved coach Terry and will miss him so much. Coach built his confidence and helped with basketball and many other things. He was a good and kind man.

So sorry to hear of Coach Terry's passing. We knew him because of my grandson playing basketball at Cyprus High School and the League Basketball Camps. Just wanted you to know the boys are missing him very much. RIP Coach!

I was Terry's roommate in college. Terry was extremely generous and kind with his friends. We spent countless hours water skiing together and hanging out at the comedy club. Those were amazing times. I am very sad to hear about his passing. Rest In Peace my friend until we see each other again.
