

Thomas Anthony Wolff

April 26, 1951 ~ September 2, 2024

Our deepest sympathy, thoughts and prayers to Tom's family and friends. It's been a pleasure and honor getting to know Tom and I will miss our time just chatting about life and his love for horses.

- Vince Borjigin

Sending sympathy & love to Tom’s Sisters & their Families. Also to his Family. Rest In Peace Tom.

Dear Loretta, Patty, Trella, and Jenny, I am so very sad to hear about Tom. During our childhood days, it was so nice to be connected with your family. It was a nice summer when Tom came to help us at the farm/ranch in Wyoming to haul hay. While there, he would ride Baby Doll, the retired mare barrel racer. I loved seeing his love for animals would grow with time and his outstanding abilities truly developed using a horse. It was nice to connect with your family while growing up. Dad always considered your Dad, Lou, a wonderful big brother and friend. While Tom stayed with us that summer as a teenager, he would tease us because we did not know every detail about the Beach Boys musical group, like he did. He loved their music of the 1960"s. May your love and treasured memories help you with the loss of Tom. God grant you peace as you deal with this pain. We send our love and prayers, Donna (Wolff) Macklin and Kent. (I'm so glad Kent was able to meet Tom at Uncle Lou's birthday gathering in Salt Lake.

I knew Tom for 30 years, first as a client and then a friend. I will miss our lunch dates and the long conversations, on politics, history, and life. He had a soulful countenance and a great mind. Rest in peace, my friend.
