I am truly so sorry for your loss. I loved Bishop so much — his Christlike love, gentle spirit, and faithful example deeply touched my life. I know the Lord welcomed him home with open arms. Please know that you and your family are in my prayers. I pray that Heavenly Father surrounds you with His peace and comfort, and that the beautiful memories Bishop leaves behind will bring light to your heart during this difficult time. Sending you all my love and a heartfelt hug. ■

- Helen Verdusco

Sending ALL my love and prayers to you Nanette and family. Thom fought the brave fight and he could not have done it without your tireless support Nanette and kids. I will unfortunately be out of town but will be with you in spirit. Jackie

- Jackie Matthews

Yesterday I received a text showing Tommy's obituary, and straight away I was taken back to when he was a vibrant and energetic young kid. Sounds like he became an amazing man. Angels surround us. My deepest condolences to each of you■

- Marsha Cirillo

Bishop Kearl made me believe in myself. He was my student ward bishop during my time at the university of Utah. He helped me through some personal issues and helped me get to the temple to marry my sweet wife. He made me believe that I was a good man and worthy of all the blessings god had in store for me. We now have 4 beautiful children and I owe so much this man. I'll see you on the other side Bishop Kearl.

- Joe Cannon

I'm so sad to hear about the passing of Thom. He went through and conquered so many trials. He was a descendant of James Kearl, who was an early settler in Laketown, Utah. The Kearl farm still stands today. My stepdad, Adrion Kearl was related to Thom. I pray that he rests in peace and I know that he left a wonderful legacy behind.

- Gail Boyer

Dear Nanette and family, I love you and your Dad. He is an amazing Man and the Savior definitely welcomed him home. And said "Well done thou good and faithful servant". I pray for God's loving arms to surround all of you with comfort and love.

- Eileen Hall

How I will miss you Thom. What a blessing you and your family have been to me for so many years! You finely found a way to stop me from pestering you! OK, at least for the next little while.

- Jay Lisonbee

I am so glad that Thom can rest in the love of his amazing family and the Savior. I will always cherish childhood memories of him playing Lions, Tigers, and Bears at my grandparents house. He's was a gem of a human.

- Shellie Snow (Tom's Daughter)

Dearest Nannette & family, My heart is broken to learn of the passing of this great "Kauri Tree". In New Zealand, the Kauri tree is considered a taonga (treasure) of the forest. They are great pillars that are known for their size and strength and the health of the Kauri means the health of the forest. My every thought and feeling are with you and your beautiful family who I love (individually!) at this time. Tom Kearl was the substitute father I needed while in America. He was street smart, always kind and always had a funny anecdote, story or joke to lift my spirits! There was never anything dull about being in the presence of Tom. I feel so much gratitude to have had the time with him that I did. His loyalty and love for his family stays etched in my memory and I will be forever blessed to have met, known and loved him. I'm so glad I will see him again one day. You are all in my prayers. With all my love at this time, while not in person - forever in spirit. Adrienne & family in New Zealand X

- Adrienne Kehoe & Family

Lamento mucho esto Grengasho. Oraré para que Dios les brinde resignación a ti a tu familia. Me gustaba mucho ver cómo le enseñabas el español a tu padre, siempre demostraba buena vibra. Te mando un abrazo a la distancia.

- Necías Rojas

I am both saddened and relieved that Thom has passed. He and all of you went through so much suffering together. Thank you for taking us along on the highlights of your journey together. Thom is my friend. When we first

met, he told me that he wanted me beside him at that time in his life. We needed each other, and he blessed my life in so many ways. It does not surprise me that he came back so many times during his illness and recovery. He didn't know what it meant to give up. He taught me that no matter what happens, you just move on to the next chapter. He was with me, by my side, through some very critical chapters in my life. I am grateful for him being woven into the tapestry of my life, forever.

- Clark Burt

My deepest condolences, Gringasho. Your dad seemed like an incredible person, super joyful and a great father. Now he will watch over you forever from heaven.

“Who shall separate us from the love of God? Neither death nor life, neither angels nor demons, neither the fears of today nor the worries of tomorrow, nor any power in all creation will ever be able to separate us from His love.” Today we say goodbye to Mr. Thomas with heavy hearts, but also with faith and hope. We find comfort in knowing that even in death, God’s love remains eternal and unbreakable. Nothing — not even this moment of sorrow — can separate him from that divine love. May the Lord receive him in His eternal peace, and may His presence bring strength, comfort, and serenity to his family and loved ones during this difficult time. Special for my dear friend Clayton (Gringasho) Rest in peace, Mr. Thomas. Papasho ■■ You will always be remembered with love and respect. ■■

May the good Lord continue to cheer, comfort and bless this sweet family. Thom: Sorry to not be able to attend this Celebration of Your Life. Still can’t believe this is real… I’m waiting to wake up from this nightmare and have you back! My dad was a REAL LIFE super hero, the type that never gave up, always knew what to do, act or say! He always taught me to never burn a bridge because it was never worth it. As I sit here balling my eyes out writing this message, I want anyone’s everyone who reads this to know that my DAD loved LIFE, his family, his friends and Jesus Christ. He is the true example of the NEW LAW, LOVE ONE ANOTHER. I do know that if we all lived like Thom, the world would be a better place. I’m trying not to be selfish, and think how lucky my dad is to no longer be suffering, BUT I MISS MY

Thom and I served together in the Massachusetts Boston Mission. We were both in the Mission Office at the same time and often were companions for the usual missionary activities; tracting, teaching, street contacting, phone tracting, etc. I remember Thom's infectious sense of humor and his ability to always stay positive, even in the midst of great tribulation. Thom tracked me down, and called me, after he got sick. He bore his testimony to me of the Church and his firm knowledge that he would be reunited with his friends and family in the next life. I, too, share this unwavering knowledge. To the Kearl family... Thom was an amazing individual and I am so grateful that I was able to reconnect with him before he passed. Please accept my deepest condolences. As our Mission Motto stated... Ever Upward!!

Bishop Kearl has been one of the most incredible men I’ve ever had the privilege of knowing. He set a powerful example of how to treat the people around you—your family, your friends, and those you are called to lead. His kindness wasn’t just something he spoke about; it was something he lived every day. I will never forget the sacrifices he made for all of us during our time in the Central 2nd Ward in Salt Lake City. Those camping trips and summer activities are some of the best memories of my life—memories I will always carry with me. He even made it possible for us to have a Korean Sunday School, which meant so much to many of us Koreans! That alone showed how thoughtful and inclusive he was. I am deeply saddened by his passing, but I know he gave everything he had to the Lord. I know he is in a place of peace now, resting well after fighting a good fight. During my time under his leadership, I saw so many people call him a true friend. That’s because he genuinely cared. He made time for people. He listened. He loved without hesitation. I hope that I can emulate the way he lived and be the kind of

example to others that he was to me. You fought a good fight. Thank you for everything, Bishop Kearl.

- Mandol Choi

Jerry and I had so many wonderful experiences with Jim and Betty and their children over many years, especially the boating trips together. We loved being part of the same ward family also. Each member of the family hold a very special place in my heart. Tom fought a good fight -- he never was a quitter. My love and condolences to all. Love, Kathy Norton
