Tom was one of a kind. We had a lot of fun in the early 70s. He was a good solid friend.

Tom, we've been through a lot together; 68 years worth. You've been a good friend through it all. As the obituary says, you could do it all. Thanks to being a friend to my daughters and others in my family. Love you, man. Brent Scharman

Tom was a great friend, he owned three Baskin - Robbins Stores I owned two. We would get together often for lunch, and exchange war stories about the stores. We would hang out with each other on the business trips.and have a great time. I just simply LOVE Tom, our next door neighbor for several years. I am so sad to hear of his poor health toward the end of his life and passing. I had lost touch. He was always a precious friend to Doug and me and our family, especially, our son, John. Our family adores TK. Just the dearest soul!!!

What an incredible man and friend to us all. Thanks for allowing me to spend so many years working at two different Baskin Robbins stores. I have such amazing memories of laughing at the store while you tried your best to teach me to be a hard worker and even better memories of fun days spent at the cabin. I will cherish these memories and so many others, forever. My most sincere condolences to Barbara, Heidi, John and the entire family. He was a great, great man.

Barbara and family, I am very sorry about Tom's passing. My thoughts and prayers are with you at this difficult time. I listened to his funeral. It was a very nice tribute to him. Let us know if there is anything we can do for you. Sincerely Janice Jones

So many fond memories of Tom. We were blessed to get paired with T.K. and Clint as youth bowlers and by extension lucky to get to know Tom and Barbara. Tom was the kindest guy and always wanted us to schedule some time for a bowling party. Maybe we should make that happen in his honor! Our thoughts and prayers to your family!

- Kellie Anderson

TK, such a wonderful written tribute to your father. It is obvious your father was loved by many. Sending you and your family my heartfelt condolences. Take solace that he is now at peace. Les

Our heartfelt condolences to all the family and friends of Tom Hollberg. I came to know my Uncle Tom, Barbara and many family members later in life through the Hollberg family reunions. He has always welcomed me and my family with open arms and love and I will always appreciate that. I see how many people he has positively impacted and know this world was immensely better with Tom Hollberg in it. I will always have a love for Tom in my heart, will miss him, and know he is in God’s hands now surrounded by peace, love and free of all worldly worries and pain and frailties of an imperfect body. I hope I can be as good a man as my Uncle Tom. Our love for him is forever and continues for all our family. Michael (Hollberg) and Rosa
