

Tim Michael King

August 24, 1966 ~ October 10, 2023

I am so sorry to hear of Tim's passing. I worked with Tim for many years and considered him a good friend and colleague. He was always willing to help, and always seemed to have an answer. May you all find comfort at this difficult time.

Tim will truly be missed. Every time I was with him I would laugh. He had a way of getting my “funnybone” every time. Whether it was a family barbecue, or just a friendly meeting, Tim was always a sweetheart. He beamed with pride when I would tell him what a wonderful father Bruce is. It sure made him proud. Not a day will go by that he will not be missed by family and friends. I am so sorry for your loss.

Tim was a brother to me and I loved him dearly. I will deeply miss the conversations we had about whatever, we didn't always agree, but we respected each other. Good bye for now, until we meet again. RIP Tim, I love you my brother and friend.

Dear King Family, I was so saddened to learn of Tim's passing from Chris. I worked with Tim. I always admired how he took his responsibility as a single dad. It's not easy to raise children even with a partner, much harder on your own. He loved his children as he spoke of them with such pride. It's been some time since I've seen Tim, but with my connection to Chris I've been able to ask about and get updates on Tim and even Pat. I send my sincere condolences, Lennie Dennis
