My dear Verna. My love goes out to you and your family at this time. I am blessed to learn more about your amazing dad as I read his life story but more than that, I get to continue to see him in you. I am thankful for the Gospel of Jesus Christ and the blessings of the temple. May your hearts be comforted and the Lord surround you with His love.

- Zanele Ngubane

I remember Timani playing a lot with my brother Dick in their younger years in school. Timani has a lot of faith, very positive kid, thinks about others a lot. He reminds me that he is happy just like his mother. Timani will get the greatest blessings in the Eternal worlds. Congratulations! Lynda Philbrick

- Lynda Jane Harmon Philbrick

Mr. Tonga You have left an Amazing Heritage of Great Children and a Wonderful Family. You will be Missed.

- Todd and Sondra Bradford

I had the privilege of being his neighbor for the past few years. He was a kind man and always so nice to me. Even though he was forgetting things he never forgot to love his neighbor as himself. I'll miss leading you home, but as you go home I pray you'll find peace in the presence of the Savior. Rest in peace my friend till I see you again.
