Tim was always such a goofy guy. I don’t think I ever saw him without a smile. What a great loss for us all! He will always be with you. Remember your faith in Heavenly Fathers plan. This is not the end. Our love to your family. Kalena and Kent

Ursula & Thomson Family — so sad & sorry to hear about Timmy■ He was a part of OUR Family since he was 8 years old. We loved having him join us on some of our outings & when he met Dani we were so happy to have her in our lives also. Timmy had a sense of humor which Johnny never quite “got” but pretended like he did. Tim & I always just laughed! All our love & prayers for your family. We will miss him & Dani & girls visits to St George.We will miss him dearly . Such a great guy!

Tim is so loved by my family. He worked for our family since he was 13 years old. I watched him grow up into an amazing man. He babysat my kids countless times, and even took care of my dying grandmother. He was funny and silly and just fun and easy to be around. His playful and humorous attitude was endearing. Tim wasn't just an employee, he was a member of our family. He is truly very special to us. He will forever remain in our hearts until we see him again.

My heartfelt condolences to the Thomson family. Tim will be greatly missed by his Prime family; especially his funny sense of humor. He made me laugh every time I spoke with him and I will always remember him for this. I pray that your family will be blessed with peace and comfort.
