Sheri and family, my heart is with you at this time. Todd was the kindest, thoughtful person I may have ever known. His presence will not be forgotten. Sheri, both of you helped me through a difficult time in my life and I am so grateful to have known him. You will be missed friend, may your final ride be easy with the wind at your back and the sun on your face.

I'm going to miss Todd, he has played an important part in my career at CMC. He was a mentor and a friend to me. When my team engages with customers during on-site visits, conferences, and tradeshows we are often told that they feel like FLEX is Family! In a small but, significant way, Todd led that mantra at CMC. He treated everyone in the company with compassion and respect. This led our employees in turn to pay that forward to the customers. Todd helped define the corporate culture at CMC, which will continue. One of my favorite characteristics that Todd possessed was his consistency. All great achievers exemplify consistency in their habits. Another trait that Todd possessed was integrity. Todd always did the right thing, he never cheated a customer to get the company ahead. I am sure that he exemplified this characteristic in his personal and family life. Todd also exemplified humility. The author C.S. Lewis defined humility as not thinking less of yourself, but thinking of yourself less. Todd was selfless as an executive and as a leader. He always put others first and was willing to cover, when needed, for those who worked for him. Over the years, it was remarkable to see that Todd never changed with respect to these character traits. He held on to his 'boyish' charm over the years and had a great sense of humor. I will miss our daily talks and our mutual love for Utah Utes athletics. I will never forget Todd Lewis and the positive impact that he has had on my life. See you on the other side, Todd!
