

Toni Marie Tenwolde

May 30, 1974 ~ October 5, 2021

Eric, I just want to thank you for calling me to let me know about the passing of Tone. Getting that phone call I was truly in disbelief and really didn't quite believe it or know the right words to say to you, but I truly appreciate you calling me. I still am in disbelief and still don't have the right words to say to you. One thing I do know is that Tone loved you with all her heart. I know it's going to be a rough road to travel for you but rest assured Tone will be all around you doing her best to help you through this thing called life without her. My thoughts and prayers are with you and her parents. Watch for the signs she'll be around you. Tone- Fly with the Angels my friend.... love ya Girl. Leslie Hoyt
