

Toni Rae Merrill Davis

January 1, 1945 ~ September 3, 2022

Roger, Toni, and you, will always be on our "short list" of special people! From coaxing me through the nerve racking process of joining the choir, to the fun we had caroling at Christmas to laughing at her non-stop hilarity during rehearsals...she will ALWAYS be remembered! We love you Roger, and pray for God's grace to be with you, Dani and Braden at this tender time.

Aunt Toni is THE BEST! We absolutely adore her! Even when she was struggling with health problems, she'd turn the conversation to us and ask us all about our lives and family. She showed such genuine love and concern for us and our children. After my Mom passed away, I especially would love to talk to Toni. Her voice and mannerisms were so much like my Mom's that in a way, I felt like my Mom was able to connect with me through Toni. She gave the best advice and truly had a major impact on decisions I have made. We will dearly miss Toni and love her so much.

Again....Friends such as Toni and Rodger are so rare and precious....Condolences to Rodger and May Toni rest in peace...
