Cindy & Family; I am so sorry to hear of Tracy's passing. I remember Cindy and Tracy as young kids about to be married, and watched them grow. Remember, he is not gone as long as you have your wonderful memories. Keep Tracy alive in your hearts.

Loved working with Tracy, he was always happy and fun to be around. I worked with Tracy when he first started with STABRO Labs at Litton. Although I lost contact with everyone after I left Litton the memories will always be cherished. Rest in Peace my friend.
