I am so sorry to hear of Traycee's passing. He was such a fun guy to be around. I will always remember his infectious smile, and joking around with him at wrestling tournaments. We competed against each other several times through high school and he always brought it. He was a tough competitor on the mat, and a friend off the mat. God bless. Rest in Love Traycee.

To Traycee’s Family, I am shocked and grief stricken about Traycee. My daughter is Ayanna Paris and I love Traycee dearly. I used to joke with him all the time that he should go to the University of Utah (the better team) to play football and not Ohio State! I graduated from Utah and always remembered him wearing a Ohio State sweatshirt and of course his Dad’s Ohio State Cave downstairs. I find it ironic that they are playing each other in the Rose Bowl this year! I will watch the game and be thinking about you all, crying and cheering on my Utes. He was always so sweet, had the most contagious smile and wished me Happy Mother’s Day when I least expected it. I wish I could of seen him after hearing all the great stories at the celebration of life ceremony to tell him how proud I am of him. Story; When Ayanna would be talking to him on the phone after an argument or disagreement(etc), she would tell me who it was and Traycee would say don’t tell her, she doesn’t like me or I was mad at him. I told her and him both, I was never mad at him and that wasn’t true and that I cared for him just as much as my own kids. Cheer on Ohio State loud and proud! Hoping Traycee has a lil trick up his sleeve for the game for my Utes! Hehehe maybe they will score a combined 75 points! Love, Jamie
