September 12, 1960 ~ March 23, 2021

My condolences to the family. May the family find peace and new life and through it many blessings in celebration of life to Troy.

I worked with Troy for many years at Smith Power Products, and always got along well with him. He always had a smile on his face, and had a great sense of humor. I know how proud he was of his boys, wife and grandson. He will be missed. Thoughts and prayers go out to his family. Leslie Deveraux

Gayle, Codey, and Jeromy, I'm so sorry for the loss and grief you must bear. I loved Troy and being around him was always a good time. Although life got in the way and we didn't stay in touch or close as we once did, I have thought of your family often. I hope in time that the life you shared will ease the sorrow you have now. I saw the love and pride Troy had for all of you and I respected him for that. Love each other and lean on each other. Bless you all, Doreen

I have not had the pleasure of meeting Troy’s fine sons but I my heart goes out to you and the rest of his family. May you always keep his memory close to your heart. To be that mechanical he had to take after Gary. May God

bless you all.

Really sorry to hear about this, Troy was such a kind-hearted soul but gave you such good tough love that you would remember for the rest of your life. I'm so pleased I got many chances to be around the Framptons growing up and ill never forget the nickname Troy/Gayle gave me "Crash". My heart goes out to Codey/Jeromy/Gayle. -Derek
