I had the absolute pleasure of knowing Troy for 20 + years, he was a great man and a great friend. He was such a kind and gentle person, with a beautiful soul, and he dearly loved his family. I had the pleasure of going fishing with him and his family many times and he was one of the greatest fisherman I have ever seen. I am going to miss you a lot , as everyone who knew you will. Rest in peace my good friend.

Prayers and thoughts are with you all. Truly a man of peace and integrity. I considered him a close friend, co-worker, and mentor, reminded me so much of my grandfather, nary an ill word about or to anyone whether they deserved it or not. A true peacemaker, and man of peace and humility. Treated everyone with love and respect. I am so glad he had found a loving partner, and I know he lived for his children and thier success. I feel honored to have had a few moments in eternity that I was blessed to share with him.

Wanting to send condolences and support at this difficult time. Our family appreciated the support and energy he provided to them while they danced at the studio. He was a silent hero. For those left behind it is hard and we send our prayers to you. The Powell Family
