Dear Nielson Family, We have been so grateful for each moment of time and each interaction we've had with your wonderful family. It has been a joy to coach Karoline and Capri in track & field and have Karoline as part of our Herriman Cross Country team family. Each moment with your sweet daughters and interaction with you, their amazing parents, has been a joy for us as coaches. Karoline and Capri bring the kind of positivity and uplifting spirits that any teacher and coach could hope for in their program. Our hearts and prayers are with each of you at this difficult time. Please know how loved you all are by all who have the privilege of knowing you in any way. We are here for anything that is of help in any way, please just say the word and we will be there to help. May the strength of your faith lift you as the hands and hearts of many, both earthly and heavenly, hold and support you in ways that assure you of their love for each of you and for your dear husband and father, Tucker. You are all loved by so many. Sincerely, Coaches Doug & Teresa Soles

Dear Susi, The service for your dear Tucker was so beautiful! I never knew him, and I’m sorry for that. What an outstanding young man, son, father, and husband. I think it’s one of those “shelf” questions that we’ll get answers for on the other side of the veil. Meanwhile, for us mere mortals, it’s mighty tough. As his mom, Susi, my heart just goes out to you. May the Lotd wrap his loving arms around you and walk with you, sweet girl. Love, hugs, and prayers to you. Becky❤■■

I recently learned of Tucker's passing and was heart broken. Although it's been many years since leaving Utah I still have such fond memories of the young man I knew, he was exceptional, bright and always had a kind word and sense of humor, whose laughter was contagious. Sending my love, prayers and condolences to the whole Family.

Sorry I just saw this when I googled his name. I am so sorry for your loss. Tucker was one of my favorite mission companions. we served as Zone leaders in Rome. I hope his wife and kids know how hard he worked on his mission. Dang it. I'm so upset.

- Sam Warner

I wish I would have kept in touch with Tucker. He was one of my favorite mission companions. we met Tiziana and she came to visit a couple times. she's here now and we both just wanted to reach out and just say how sorry we are for your loss.
