Mike, Cammie and Alaina... I'm so sorry for the loss of Tyler. He was an outstanding young gentleman that I got to watch grow up through Jeana. I was honored to be his honary Auntie and loved him like my own nephew. Tyler and his spirit will never be forgotten. Much love to y'all and your families. Auntie Katie.

I didn't know Tyler too well, I knew him through Rachel. But the handful of times I met him I could tell how kind of a person he was, I also never heard anything but good words about him when I heard about him from Rachel, and I'd always wished him happiness. This is a tragic loss, I sincerely hope Tyler is at peace and my heart goes out to all of his family and friends.

Tyler will be missed and never forgotten. I met and worked with Tyler at the Huntsman Cancer Institute. He took his job seriously all the while treating all with dignity and respect. His attention to detail and knowledge of his job was second to none. Although I only knew Tyler a few short months, his friendship, I will be forever grateful. Godspeed!

Life is a precious gift from GOD. Your son lived to the fullest with his wife and family. May his memory live with you and all those who knew him. Those we love don't got away, they walk beside us every day, unseen, unheard but always near. May GOD bless all of you!

I met Tyler when we were both in 7th grade and we remained very close friends throughout our years at crescent view middle school. I was quickly drawn to his kindness and how he genuinely cared for everyone around him. We loved to talk Star Wars, new happenings at Disneyland, Doctor Who, and I could always rely on a smile and a laugh whenever we talked. I have a lot of fond memories of Tyler and he will be dearly missed. Rest In Peace, old friend. I'll never forget you
