Wow so sorry to hear he was a great guy to work with at Home Depot and he helped my sister out with their disabled son what a tragedy we lost our son 23 years ago it doesn't ever seem to get easier we wish you all the best for his family.

My condolences to Tyson’s family, loved ones and friends. Tyson had such a positive personality. An energy that you just loved to be around. I’ll miss you Drizzi. I will never forget the memories we had together.

Tyson, I am so proud to be your aunt. I feel like I kind of grew up with you and Trevor. I will always remember the times you and Trev would sleep over at grandma and grandpa Andrizzi’s. We would have so much fun after you guys cleaned out the KFC buffet. I think about it and it still brings a smile to my face. You singing, “ I’m too sexy for my shirt” while Trevor videoed you. Where are those videos!?! One of your best qualities was your kindness to others, especially those who were being picked on or bullied. Many people looked up to as a leader because of that kindness. Ty, I have so much love and respect for you . I am sure Grandma and Grandpa were among the first ones to welcome you to heaven. You may have “beat us there” but we will be with you again. I love you Ty!

My sincere condolences to Ty’s family. Ty was one of a kind and such a good friend. He was always happy and he always knew how to have a good time even if there wasn’t a lot to do. He will be missed so much. Try to enjoy Heaven a little before the rest of us get there.

When Tyson moved in to our neighborhood, he immediately won hearts through his quiet service to others. He helped our aging neighbors with their yard work and then completely took over the mowing and edging when the gentleman passed away. His kind heart will not be forgotten. Tyson and I first met in 9th grade when I transferred to Indian Hills Middle School, and it didn’t take long before we became close friends. Throughout high school, he was one of my very best friends — we shared countless memories, from everyday moments to playing sports together. I will always remember Tyson as someone who worked hard, gave his all, and never backed down from a challenge. His determination to be great in whatever he did was inspiring. To Sherrie, Todd, and Trevor — my deepest condolences. Tyson left a mark on everyone who had the privilege of knowing him. Though life eventually took us in different directions after high school, in my heart, Tyson will forever remain one of the greatest friends I’ve had. I look forward to the day we meet again. Godspeed, Tyson.

Todd and Sherrie, I know it’s been a lot of years since we’ve seen each other but when I saw this, I just wanted to send my condolences. I can’t imagine how difficult it must be to lose a child. I wish you well and happiness!
