Karen and Lee I was so sorry to hear this. Nancy let me know. I can't imagine the loss of your son. There just aren't words for this loss.

Brad was a childhood friend (Monument Park 5th ward) and his band played at New Years' party I had. I think he was putting up the pool tables at the venue we had it at that's how I reconnected with him. Sorry to hear he passed. Prays to the family.
