

Ursula Schreiter Otto

October 19, 1936 ~ April 6, 2026

Ursula was a wonderful individual. We've been fortunate to know her for many many years. She became ward organist in the early 1970's and continued for over 50 years. She also shared her talents with the Relief Society as organist when needed. Her home and yard have always been immaculate. It seemed like weeds dare not grow in her yard. Our love and Sympathy goes to Thomas and Andrew and your families.
