

# Ursula Schreiter Otto

*October 19, 1936 ~ April 6, 2026*

Ursula was a wonderful individual. We've been fortunate to know her for many many years. She became ward organist in the early 1970's and continued for over 50 years. She also shared her talents with the Relief Society as organist when needed. Her home and yard have always been immaculate. It seemed like weeds dare not grow in her yard. Our love and Sympathy goes to Thomas and Andrew and your families.

I learned yesterday that Sister Otto, had passed away. I have fond memories of being in her home, when I took piano lessons from her husband, Walter Otto. Brother Otto often accompanied my father when he sang in the Ward and other places in Salt Lake City. My father recorded several musical numbers with Brother Otto being his accompanist. Grateful to this wonderful couple and the influence they were to me and my family; I truly have been blessed.

Ursula was an amazing woman. We were all so blessed that she would share her musical talents on the organ for so many years. We are sorry for your loss.

I had the pleasure of living across the street from Ursula. Ursula and I quickly bonded over the love for our homes and taking great pride in our manicured yards. I could always count on Ursula to peek out of her front door as soon as she heard a lawn mower start. I know this because I was doing the same. Ursula loved Jeff's homemade chicken noodle soup we always knew she was ready for another batch when she started mentioning how good that soup was. She will be greatly missed and I will always remember the bond we shared over being the Gladys Kravitz's of the neighborhood. I now miss looking over each night and seeing the porch light on. I knew when her porch light turned on everything was OK in the world and it gave me a sense of peace that she was as well. Love Jason and Jeff

Werte Herren Tomas und Andrew, mit tiefer Trauer habe ich Ihre Nachricht vom Tod Ihrer lieben Mutter, meiner wiedergefundenen verehrten Kinderfreundin erhalten. Ich spreche Ihnen mein aufrichtiges Beileid aus. Ich selbst habe nun keine Freundin mehr in Utah mit der ich telefonieren und Briefe schreiben kann. Unser gemeinsamerTrost ist die Erinnerung an das Leben und die Endlichkeit unseres Erdendaseins. Viele liebe Grüße in Verbundenheit senden aus Chemnitz Helga Göhre mit Siegfried

I send my love and condolences to the families of my dear cousin Ursula. We have exchanged many notes and messages over the past years. A phone call occasionally and very rarely a visit in her home. A very talented and beautiful woman. My fond memories will always be with me. Sending Love, ❤■ Norma
