This is Alisha, I loved aunt Utahna more than anything. She was my sweet friend and such an angel. She meant the world to me and I will miss her so very much it meant everything to me to be able to see her when I was in Salt Lake last I love you all so much and wish I could give you a hug, although it hurts and We will all miss her deeply, knowing she's in heaven and not in pain and remembering her beautiful smile and happiness will help with the pain I love you ■

Dear Jones Family,' Please accept my deepest sympathy to all of you at the passing of your dear mother, grandmother, great grandmother and great great grandmother, Utahna. What a delightffu person she was and it was always a joy to visit with her. Her obituary described her very well. It was my blessing to know her for several years after we were transferred into the East Mill Creek 11th ward. She and Gary were a perfect pair. I'm sure she will be missed by many, but what a wonderful legacy she has left for everyone who knows her and for each of you in your family. My thoughts and prayers are with you. Pat Lake

Always held in highest esteem as a positive, energetic, loving, service-oriented, clogging mom and grandma, as a superb homemaker and friend, Utahna will be missed by us while she is embraced by Gary and those friends and family members who are enjoying the peace and rest of Paradise. I honor and respect her for her faith and courage, and for the joy she is to all who know her.

Valerie, Pamela, and David. I was thinking about your mom the other day. I looked her up and found that she has passed away. I wanted to express my condolences and love for her and your family. Your mom was a wonderful influence in my life growing up. I learned so much from her. I loved having you live on Dewey Avenue for a few years. My favorite memories are being able to stay with you in Salt Lake. It was the highlight of my summer. I would love to stay in touch. We live in Idaho Falls in the summer and are snowbirds in St George in the winter. I'm not sure how to contact you. My thoughts and prayers are with you all as you remember the amazing parents you had. I was blessed to call them my cousins and friends. With love, Lynda Esplin Cummings
